EDUCATION

Amity University Rajasthan   Jaipur,Rajasthan
Computer Science Engineering B.Tech   Aug 2020 - July 2024
CGPA: 7.88

EXPERIENCE

Redcliffe Labs | Frontend Developer   **Noida, Uttar Pradesh | Nov 2023 - Present**
- **RedcliffeLabs HRMS** - Led the design and development of a user-friendly HRMS website, achieving a reduction in operational costs by INR 12 lakh annually.
- **CC Onboarding** - Spearheaded digitization of the onboarding process for CC, transitioning to an online platform, boosting customer satisfaction through improved accessibility and service quality.
- **CRM Dashboards** - Contributed to CRM dashboards, addressing real-life challenges faced by customers and business partners, improving user experience and decision-making.

SKILLS

Programming Languages:	Java, JavaScript, TypeScript, C, C++, HTML, CSS
Libraries/Frameworks:	React, Material UI, Redux Toolkit, Rest API, Node.js, Express.js
Tools / Platforms:	VS Code, Git, GitHub, Postman, Chrome DevTools, Jenkins, Jira
Databases:	SQL, MongoDB

PROJECTS / OPEN-SOURCE

Cake Ordering System | Link   *MongoDB, Express, React and Node JS*
- Built a full-stack, fully responsive cake ordering system using MERN, with features like cake filtering, order tracking, and multiple payment options (COD & Razorpay).
- Implemented secure user authentication with JWT and bcrypt for password encryption.
- Developed an admin panel for managing products, categories, and viewing customer orders.

Learning Management System | Link   *JavaScript, TypeScript, React, Redux, Material UI*
- Developed admin and user dashboards with CRUD operations for course/module management.
- Implemented batch management, content types (video, PDF), and interactive quizzes.
- Enabled module progression, automated notifications, and certificate generation.

Employee Onboarding | Link   *JavaScript,TypeScript,React, HTML, CSS,Material UI*
- Digitized employee onboarding with multi-section forms for personal, address, employment, etc.
- Implemented document upload functionality for insurance, PF and ESIC forms with review capabilities.
- Developed an HRMS admin panel page to view, edit, and manage employee onboarding data.

CERTIFICATIONS

- The course of placement DSA with Java - Apna College.
- Java And C++ And PHP Crash Course For Beginners - **Udemy**
- Computational Thinking with Beginning c programming - **Coursera**

HONORS & AWARDS

- Earned a Gold Medal in Academics (10th Grade), demonstrating exceptional performance.
- Corporate Achievement - Promoted to a full-time position within 3 months and received the Rising Star award, recognizing outstanding performance and contributions.
